

**Donate to Woodminster Summer Musicals ... help stage the 46th season!**  
**www.woodminster.com • 510-531-9597**

Since 1967, Woodminster Summer Musicals has delighted our community with the best of American Musical Theater, performed under the stars in historic Woodminster Amphitheater. We remain committed to keeping live theater affordable for everyone, but our production expenses have risen much faster than our ticket prices. Without your generous donations, we would not be able to offer low ticket prices and programs like *Kids Come Free*. In fact, without you, Woodminster Summer Musicals simply wouldn't exist. Your tax-deductible gifts truly keep the stars shining at Woodminster!

**How does your gift benefit the local community?**

- First-rate musical theater right here in the East Bay
- Free theater for local kids (about 3000 children and teens attend for free each year)
- Experience for local aspiring performers, including children and teens, as well as employment for professionals
- Affordable ticket prices
- Preservation of one of Oakland's finest cultural traditions, one that has survived for 45 years while presenting a uniquely American art form

**To show our appreciation for your generosity, we offer great benefits to enrich your experience at Woodminster.**
